A special meeting of the Kentucky Board of Physical Therapy was called to order by Board Chair, Chuck Clark, at 12:15 p.m., on Tuesday, October 22, 2013, at the Board office. A quorum was present.

Mr. Brengelman, Mr. Curley, and Mr. Majors reported to the Board that the credential holder in C2012-26, who has been under investigation by the Board for several months, recently had entered an Alford plea as to two (2) counts of Sexual Abuse in the First Degree, a felony. The Board was also apprised that on October 18, 2013, the Jefferson Circuit Court entered final sentencing against this credential holder, imposing five (5) years incarceration for each of the two (2) counts, to be served consecutively, for a total of ten (10) years incarceration.

Following review and discussion, Karen Ogle made the motion for the Board to file a notice of hearing and charges against the credential holder based on the above information, as well as other information produced to date by the Board's investigation as summarized by Mr. Curley, and also for the Board to authorize its Counsel to prepare a settlement agreement to submit to the credential holder for possible execution and entry in lieu of proceeding to a formal due process hearing. This motion was seconded by Chuck Clark, with no dissenting votes noted.

At 12:53 p.m., Linda Pillow moved that the meeting be concluded, seconded by Troy Grubb, which carried.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Scott D. Majors".
